EDUCATION

SPELMAN COLLEGE

Junior Computer Science Major , GPA : 3.58
Aug 2022- May 2026

EXPERIENCE

THE WALT DISNEY COMPANY

Disney College Program
Powered by Disney on
The Yard Intern

May-Aug 2024

- Part of a Multi-functional team that served over 800 guests daily in the main food court and cafe.
- Recognized as an individual with a “phenomenal disposition” and a hard worker by the guests.
- Showcased adaptability with learning multiple skills used throughout the day.
- Assisted new training groups on arrival with specific tasks and questions.

GOOGLE TECH EXCHANGE PROGRAM

Fellow

Jan-May 2024

- 1 of 2 students representing my institution through the third cohort.
- Mentorship with Google employees to improve technical interviews and dynamic problem-solving.
- Taking 2 Data Structures courses taught by Google employees/personal mentors throughout the spring semester.

HBCU ATLANTA FALCONS FELLOW

Sports Technology Dept.
Sept-Nov 2023

- 1 of 13 HBCU Students to be chosen for the fellowship.
- Created 3 email templates for events sent to over 15'000 guests each.
- Dedicate 10 hours a week towards bettering my understanding of working in the tech environment and shadowing employees.
- Rotate to separate departments every week, assisting with technology issues and the inner cybersecurity task for the Mercedes Benz stadium.

CODEHOUSE

CodeHouse Scholar
2022-present

- 1 of 43 scholars chosen to be part of the 2nd Cohort of CodeHouse Scholars.
- Developed skills in JavaScript, HTML, P5js, and Entrepreneurship to prepare for jobs in the STEM field.
- Won Second Place in an Entrepreneurship contest, creating prototypes and presenting a social app (HairNet) to help the natural hair community.

STEALTH TECHNOLOGY STARTUP

Faculty Service Associate
2021- 2022

- Guided customers and employees using the company's new ghost kitchen devices (i.e., digital tablets, virtual kitchens, and ordering systems).
- Assisted individual businesses in running their devices to make the work environment run smoothly and efficiently.
- Managed customer service when complaints and mistakes through the systems took place.

SKILLS

- CSS
- Python
- JavaScript
- Calculous
- HTML
- Data Structures
